

## **What Next? After 10<sup>th</sup> Class**

### **Courses offered by IIIT Basara**

1. 6- year integrated Degree programmes at Rajiv Gandhi University of Knowledge & Technologies, Basara (IIIT, Basara) after 10<sup>th</sup> class:

A six year integrated programme of education, each year consisting of 3 semesters leading to a B. Tech. degree is offered by IIIT, Basara in the following engineering disciplines:

- a) Chemical Engineering
  - b) Civil Engineering
  - c) Computer Science and Engineering
  - d) Electronics & Communications Engineering
  - e) Materials Science and Metallurgical Engineering
  - f) Mechanical Engineering
2. The first part of the six year course is a two-year Pre-University Course [equivalent to Telangana Intermediate] followed by a second part of four-year Engineering Course.

After the first part, there is a permitted exit after Pre-University Course of first two years, if the student chooses to go for a career in other professional programs.
